Ontera[™]
A MILLIKEN COMPANY

INSPIRED. INSPIRING.

As a fast paced, highly driven and environmentally conscious society develops, we seek collections that stand out, are relevant and surpass the norm.

Tonal variations with soft contrasting textural patterns.

Distinct and highly functional colour selections. Technically superior in construction – all with the comfort and wellness attributes of cushion backing.

Designed to Exceed expectations.

RENOVATION & NEW CONSTRUCTION

**Ontera
Cushion Backed Product**
+
**Ontera
Non-Reactive Standard Adhesive**

=

- Installation after **90 days** of newly poured concrete
- **No moisture** testing required
- Fully **Warranted**

ONTERA MODULAR CARPET IS A MOISTURE MITIGATION SOLUTION ALL BY ITSELF.

Unlike with hardback products, water vapour has a way to escape from beneath Ontera's cushion backing. It travels freely through our open-cell cushion, evaporating naturally through seams at the edges of each carpet tile.
