Product Features:	* An exciting new range of super soft carpet, featuring exceptional colourfastness and stain resistance.
15 Wear Warranty:	* This Tuftmaster carpet is guaranteed against pile weight loss resulting from abrasive wear, where the carpet has been installed indoors in accordance with recommendations of the Australian Carpet Classification Scheme (ACCS). Provided that Tuftmaster Carpets is satisfied that the carpet was properly installed and maintained and that the surface pile has abrasively worn by more than 10% within Fifteen (15) years of installation, Tuftmaster Carpets will replace at its cost, the damaged area with same or similar carpet, inclusive of installation.
Colourfastness:	* With Softmore solution dyed nylon, Tuftmaster guarantees no significant colour change for Fifteen (15) years due to exposure to light or atmospheric contaminants.
Antistatic Protection:	* Unlike other carpets which are protected by topical treatment, Tuftmaster Softmore nylon filament has a permanent antistatic component that becomes an integral and durable part of the carpet thereby providing human protection from anti-static shock.
Quality Control:	*Silken Tone has passed numerous tests to provide that integrity of construction, wear and colour performance that delivers a finished carpet quality assured for domestic use.
Notes:	*Seam Sealer to be used on all seams. *The use of chair pads is mandatory. *Must be laid in accordance with AS/NZ 2455.1:2007 *Subject to Tuftmaster's 'Terms of Trading'.
