Tawny Owl	820201	933992320201 9
White Smoke	820202	933992320202 6

Timber is a natural material and variations in colour, texture and presence of naturally occurring features are expected. Final product will exhibit variation from sample material. Timber flooring will react to direct sunlight, moisture and humidity in its environment and this must be managed by the homeowner.
