ULTIMATE NEXT GENERATION IN HIGH PERFORMANCE FLOORING

Proline Floors latest and most innovative hard flooring range

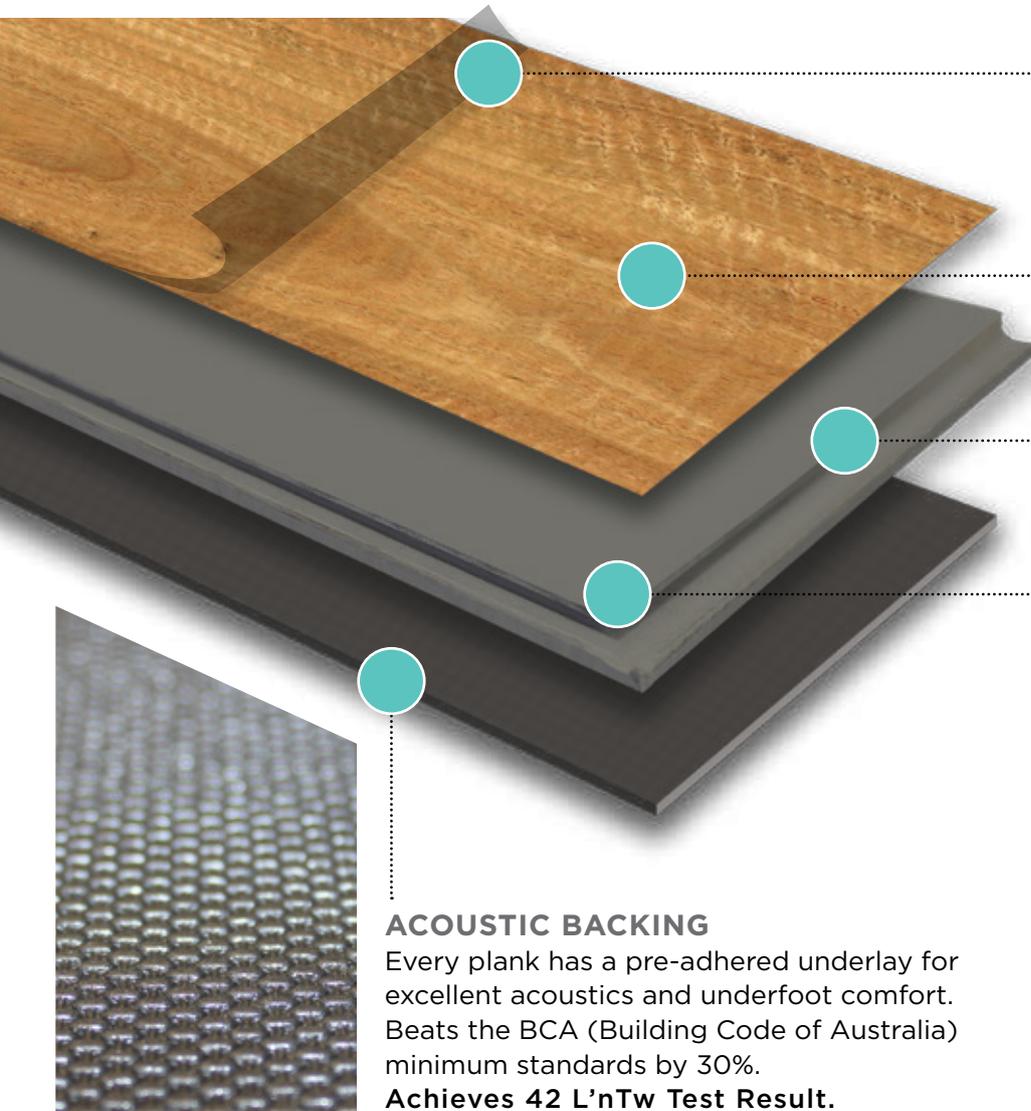

Rigid Plank represents the latest in next generation flooring technology. Rigid Plank is a trouble free flooring solution that incorporates our proprietary Quantum Core Limestone 100% water proof structure, which is resistant to fluctuation of Australia's harsh climate. Able to withstand direct heat, extreme cold and with the lowest expansion rates. Rigid Plank is a perfect solution for our modern indoor/outdoor lifestyle.

Cleaning is a breeze with Rigid Planks, 100% waterproof moppable surface - dry or wet maintenance is perfectly acceptable, the choice is yours. Not only is Rigid Plank a high performance floor, we have meticulously chosen our flooring designs to be 'true to nature.' Every plank is hand selected to give you the most beautiful colours and grain structures that combine to recreate the perfect timber floor.

FEATURES & BENEFITS

MULTIPLE LAYERS OF NEXT GENERATION TECHNOLOGY

COMMERCIAL GRADE WEAR LAYER

A hard wearing surface with high impact resistance and natural wood embossing.

HIGH DEFINITION DESIGNS

Available in a variety of twelve natural colours with designs that are true to nature.

CLICK SYSTEM

Easy to assemble glueless high strength click system.

LIMESTONE / PVC COMPOSITE CORE

Proprietary Quantum Core Limestone/PVC Composite core which is 100% waterproof and provides outstanding impact resistance and durability. This unique formula enhances the Rigid Plank strength under all temperatures whilst providing minimal expansion and contraction.

ACOUSTIC BACKING

Every plank has a pre-adhered underlay for excellent acoustics and underfoot comfort. Beats the BCA (Building Code of Australia) minimum standards by 30%.
Achieves 42 L'nTw Test Result.

QuantumCore
TECHNOLOGY

Rigid Planks are 100% waterproof, moppable surface, dry or wet maintenance is perfectly acceptable, the choice is yours.

Rigid Planks use the latest colourfast prints that will not fade in the sun making them perfect for sun drenched areas of your home.

Rigid Planks deep embossing recreates the beauty of natural timber, as well as providing a safe anti-slip surface.

Every Rigid Plank has a pre-adhered underlay for excellent acoustics and underfoot comfort. Beats the BCA minimum standards by 30%.
