COMMERCIAL

FLOORING

Microscopic imaging demonstrates how **Accolade Plus** responds to regular burnishing.

In between regular cleaning, traffic can cause scuffing and abrasion to the floor, allowing dirt, dust and grit to attach to the surface, compromising the floor's appearance.

Cleaning with Accolade Plus Floor Cleaner and a mop or using an automatic scrubbing machine removes this build up prior to burnishing.

Accolade Plus Floor Cleaner contains a **naturally occurring element** that helps increase friction and heat during burnishing to create a more impervious and harder surface that enhances the floor's appearance and minimises the accumulation of ingrained dirt, dust and grit.

> **Accolade Plus** as originally installed

> **Accolade Plus** before and after burnishing

● **Accolade Plus** maintenance

- Low traffic area
- Medium traffic area
- High traffic area
- Barefoot traffic – Wet areas
- Shoe traffic – Dry areas

> Low traffic areas

Daily:

Sweep, static dust mop &/or vacuum thoroughly to remove all dirt and dust.
Damp mop, using Accolade Plus Floor Cleaner.

Quarterly:

Wet Scrub, using an automatic scrubbing machine fitted with a bassine brush (or similar), red or blue pad and Accolade Plus Floor Cleaner.
Spot scrub around edges and fixtures using a soft bristled broom.

Dry Burnish, using single disc straight line polisher up to 1700 RPM.
Use white pad only

Daily: Large & unobstructed areas

Wet Scrub, using an automatic scrubbing machine fitted with a bassine brush (or similar) and Accolade Safe Plus Bathroom Floor & Surface Cleaner only. Spot scrub around edges and fixtures using a soft bristled broom. **Do not use acidic, caustic or solvent agents such as toilet bowl cleaner.**

Frequency and type of maintenance required depends on traffic flow, application, environmental conditions and customer requirements. Light and accent colours can require more maintenance; where practical choose darker more camouflaging colours.

Protection:

1. Use walk-off mats at entrance to trap sand and grit as they are abrasive and can damage floors. Ensure that walk-off mats are cleaned frequently.
2. Ensure all furniture legs have well maintained non-abrasive feet.

Armstrong Accolade cleaning products are designed specifically to maintain the appearance and extend the life of your floor.

Armstrong Accolade Plus Floor Cleaner

- For regular cleaning and maintenance of vinyl flooring
