

LUXURY FLOORING COLLECTION

pegulan.com.au

LET'S FLOOR YOU

You are about to choose flooring for your home and it needs to meet two very important criteria: the emotional and the practical. Of course it has to look great... it has to complement your lifestyle and taste. That's why there are more than 70 designs in PEGULAN'S current collection. There's everything from the classic designs to more avant-garde – and even the unexpected, to ensure we have the perfect flooring solution for whatever décor you have in mind.

A new floor can transform your room, creating a mood and a style for your home.

PEGULAN bring the latest design trends from Europe (and around the world) into Australian homes. We also continue to deliver patterns, textures and 'real-life' flooring favourites that have floored Australians for decades.

PEGULAN floors look fantastic – and they perform brilliantly! They're extremely resilient, very hygienic, comfortable under foot and deliver great value for the discerning buyer. PEGULAN floors are the perfect partnership of design and function!

RESILIENT FLOORING

Floor traffic over a long period of time can test out the quality of any floor. PEGULAN flooring is resilient flooring – which means: it can withstand or recover quickly from continuous use. It bounces back day after day, year after year; ensuring the floor you lay today retains its appeal.

PEGULAN EXTREME® PUR surface wear technology enhances your floor's ability to resist nearly anything a busy family can throw at it. PEGULAN floors are scuff and stain resistant so on-going maintenance is a breeze. They're also seamless – with no joins to compromise moisture integrity...making your PEGULAN floor ideal for potential 'wet areas' like the kitchen, bathroom or laundry. Plus, many PEGULAN products are rated R10/P3 for 'enhanced' slip resistance...giving you the reassurance that the surface has been designed with your safety in mind.

We believe in the quality of our product, with every product in this range guaranteed for at least 15 years (20 years for Topaz, Life TX and Ultra TX).

R10
SLIP RESIST

THE HYGIENIC CHOICE

Pegulan's Luxury vinyl is specifically designed to improve your indoor environment and air quality. For many years we have focused on making flooring with extremely low emissions up to 10 to 100 times below the most stringent European regulations. Plus, the phthalate-free plasticizers selected by our manufacturer are REACH approved for food contact containers and can be used for toys intended to be placed in the mouth by children.

Vinyl floors are practical and hygienic, because they're simple to clean.

Our vinyl flooring has an additional surface treatment to make it even easier to maintain with minimal use of water and cleaning products. For flooring that looks good, feels good and contributes to the well-being of people and the environment, take a fresh look at Pegulan Luxury Vinyl.

PEGULAN EXTREME® PUR surface wear technology also creates an impervious floor covering. And because PEGULAN flooring is seamless, dirt, microbes, mould, germs and bacteria have nowhere to hide. The result: a family friendly, low maintenance floor.

PEGULAN
FLOORING

COMFORTABLE & QUIET

PEGULAN luxury flooring is warmer, quieter and more comfortable underfoot than most other flooring options... especially timber, stone, slate or marble flooring. There is more 'give' in a PEGULAN floor so dropped items are more likely to bounce than break. The differences in multi-layer construction between Pegulan ranges provides various solutions for durability, comfort and quietness (noise absorption).

Meeting the criteria for sound reduction in multi-storey housing can be difficult to achieve when choosing any hard flooring surfaces. Pegulan has been factory tested to provide up to 20dB of impact noise reduction* (Ultra Tx), making it a great choice for anyone looking to renovate and refresh their apartment or unit.

*Always check with your local building codes or body corporate for specific noise compliance recommendations.

PEGULAN FLOORS YOU QUICKER

Flooring preparation costs can often be more than the cost of the flooring. Timber and slate or ceramic tiles are all very costly and time-consuming to install – however PEGULAN is normally a same-day-solution. There is very little preparation required for most room scenarios. Plus, in some cases, you can walk on your new PEGULAN floor immediately after installation.

PEGULAN flooring is manufactured from highly stable materials that won't shrink or curl when correctly loose-laid. Pegulan Luxury Flooring can be either loose laid or fully adhered to timber or concrete subfloors – even those that include under-floor heating

Because PEGULAN is such a versatile and installation-friendly flooring solution less time is spent laying your floor. And less time ensures you get to enjoy your new floor...and your new home environment sooner!

MORE HYGIENIC

1. Extreme PUR surface treatment: very high resistance to scratches with easy maintenance.
2. Pure PVC transparent wearlayer: protects the design and improves durability.
3. Design layer: offers a large choice of colours and patterns.
4. Foam layer: adds warmth and comfort underfoot.

5. Glass-fibre non-woven reinforcement: superior dimensional stability.
6. Foam backing layer: additional comfort and acoustic improvement.
7. Textile polyester backing (TX): helps smooth out subfloor imperfections for easy, hassle free installation

THE FAMILY FLOOR

Pegulan, a family owned business, has floored Australian homes for more than 40 years. With over 1,200 retail distributors in Australia, Pegulan has built a reputation for quality and excellence that customers can rely on for years to come.

The Wear Warranty applies to the original purchaser, when used and maintained according to Pegulan's specifications. The following is covered by the Pegulan Floor Coverings warranty. 1. Apparent defects, indicated to Pegulan or to the Place of Purchase prior to installing, such as: appearance defects, structure defects, indelible stains, defects on the backing other than back printing. 2. Surface pattern wear through, indicated to Pegulan or to the Place of Purchase during the specified Wear Warranty period. You may submit details and proof of your claim to Pegulan Floor Coverings for consideration. This warranty is provided in addition to the other rights and remedies you may have under law. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
