SURFACES

Designed to suit today's modern lifestyle, our landscape range provides a luxurious synthetic grass surface that adds instant value to your project or home. Made right here in Australia, our turf is created with the most advanced UV resistant yarns to withstand the harshest of Aussie summers. Meaning greater, year-round comfort.

OUR LANDSCAPING SURFACES

Our landscaping range features 10 Australian made surfaces, including the luxury Down Under Prestige and the economical Down Under Ascot. All our turf products are drought resistant, easy to manage, and are designed to look and feel as close to real lawn as possible.

**DOWN UNDER
PRESTIGE**

A prestige surface that is perfect for large area residential or commercial gardens.

“Real lawn’ look created by the dense two tone weave.

The 40mm blades create a freshly mowed look year round, without the need for watering.

**DOWN UNDER
EVERLAWN**

Down Under Everlawn is one of our most popular surfaces, with a 40mm pile creating year round comfort

A natural looking lawn providing great durability and comfort

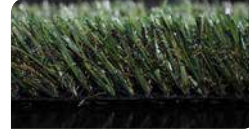

The dual yarn weave combine to create a quality surface perfect for large area landscaping.

**DOWN UNDER
